

November 2017

November with Springboard!

Did you know...

"November" comes from the Latin word, "novem" meaning nine. In the original Roman calendar, March was the first month. With the addition of January and February some of the months' names no longer made sense!

At Springboard this month...

We will continue to reinforce culture and expectations. We'll discuss Veteran's Day, Voting and Democracy, and US Geography which are all celebrated in November.

The week of November 14th to the 20th is American Education week!

As part of our diversity celebrations we'll discuss:

- November is "National Native American Heritage" month

As always, we'll work on reading and teamwork!

Just for Fun!

Do you follow us on social media?

Each week we spotlight different Springboard locations with photos of our Springboard kids in action! Follow us to see the "Springboard Location of the Day."

Springboard's Social Media Contests
