## Just for Fun!

### New Years Resolutions

The start of the new year is often the start of new traditions and resolutions. Here are some ideas for kids and parents to consider:

- Set out to learn something new every day – challenge your kids with fun facts you find online.
- Read more - make a list of books in advance so you know what to read next.
- Be more grateful – studies show gratitude can make you 25% happier!
- Spend more time in nature – spending time outside makes people happier, boosts the immune system, and promotes creativity

Share your ideas on Springboard's Facebook page!
