

February 2018

February with Springboard!

Welcome to February!

Did you know...

February is the only month to have less than 30 days. It has 28 days, except on leap year when it has 29. Leap year occurs every four years.

At Springboard this month...

We will continue to reinforce culture and expectations.

As part of our diversity celebrations we'll discuss:

- African American History

We'll also explore:

- Endangered Animals
- Inventors and Inventions

As always, we'll work on reading and teamwork.

Just for Fun!

President's Day

This year, President's Day is on Monday, February 19th. Established in 1885, in recognition of George Washington's birthday, it was originally celebrated on February 22nd, Washington's actual birthday. It later became President's Day and is celebrated on the third Monday of the month.

Fun ways to learn about President's Day:

- Can you name all 45 U.S. presidents? Challenge your kids to do the same?
- Have your kids reenact Lincoln's Gettysburg Address or John F. Kennedy's Inaugural Speech.
- Go online and search for U.S. President quizzes. Who scored the highest in your family?
