

June 2018

June with Springboard!

Welcome to June!

Did you know...

June 21st is the official first day of summer, known as the Summer Solstice, this is when the sun is furthest north. It's considered the longest day of the year since, in the Northern Hemisphere, it's the day with the most daylight!

At Springboard this month...

We will continue to reinforce culture and expectations.

We'll also explore:

- Outdoor games
- Summer fun
- Independence Day
- Safety
- End of year celebrations

As always, we'll work on reading and teamwork.

Just for Fun!

Kindness Rocks!

Summer is a great time to be part of the "Kindness Rocks" project! It's a movement which encourages people to decorate rocks with inspirational messages and leave them in public places for others to find.

You need:

- Rocks
- Paint
- Markers and decoration
- Creativity

When you're done decorating, leave them in a public place and brighten someone's day!
