

September 2018

September with Springboard!

Welcome to September and Springboard!

Did you know...

September 21st is the International Day of Peace. Established by the United Nations in 1981, this day is a shared date for all to commit to Peace regardless of differences.

At Springboard this month...

We will work on "Getting to Know You" where we learn about one another.

We'll also explore and discuss:

- Hispanic / Latino Heritage
- Labor Day
- Grandparents Day

As always, we'll work on reading and teamwork.

Just for Fun!

Sneakers is coming to Springboard!

Sneakers, Springboard's new mascot, is excited to travel the country visiting different Springboard programs. Watch for him to visit your school!

Follow us on Facebook and Twitter to see Sneakers in action and for opportunities to win prizes!
