President's Day

This year, President's Day is on Monday, February 18th. Established in 1885, in recognition of George Washington's birthday, it was originally celebrated on February 22nd, Washington's actual birthday. It later became President's Day and is celebrated on the third Monday of the month.

President's Day Challenges:

- Can you name all the U.S. presidents?
- Can you recite Lincoln's Gettysburg Address?
- Which presidents are features on U.S. currency?
